

TRUETECH®

SPRAYERS ■ FOAMERS ■ MISTERS

4000

4 in 1 Portable Applicator

Liquid Sprayer • Mist Sprayer • Air Compressor • Foamer

The TrueTech 4000 has all the same features as its big brother, the TrueTech 7000, but the 4000 comes with a 4-gallon capacity. It works well for smaller treatment and job requirements commonly found in pest control. TrueTech is the most flexible and highest quality equipment available on the market today.

Features

- Twin Tank System
- 4-Gallon Liquid Capacity
- 2-Gallon Air Tank
- With the air tank fully charged at 125 PSI, the unit will empty the 4-gallon product tank. Length of time will depend on tip size.
- Air driven, no internal moving parts to breakdown
- “Save Your Back” adjustable cart handle
- Convenient drain valve at bottom of tank
- 10" tires make the TrueTech 4000 very portable
- Various tools & tips for gallery, crack-crevice, misting, void & broadcast
- Optional hose lengths and types available
- Two liquid tips, one screen-check valve for liquid & three foam tips

Environmental

- Foam treats the area (voids of all types) where dirt, bacteria and insects live.
- Foam reduces water usage: foam expands water by 6 to 18 times.
- Foam increases surface contact time for superior coverage and reduces liquid runoff.
- Foam provides deeper penetration into surfaces by reducing surface tension.
- Foam helps in removing grease and dirt.
- ProFoam® Platinum has been tested by all major chemical producers for compatibility.
